Planning Commission Meeting

Unapproved Minutes

August 26, 2026 @ 10am
Whiting Town Office

Present: Steve Quenneville, Bev Freeguard, Greg Coleman, Heather Bouchard, Maddison Shropshire (ACRPC).

The Whiting Planning Commission came to order at 10am on August 26, 2026 to start updating the town plan. Maddie from ACRPC attended, to help with updates on the town plan.

Maddi wanted to know if there were any specific projects coming up that we should include in the new town plan.

The planning Commission let her know that sometime in the future the town is going to get the school building back. Maddi asked the board to think about options for that building.

Maddi will continue to work on the plan and meet with the board again.

Adjourned at 10:25am.
