**New Business:** Maddie from ACRP is coming to go over the assessment on the town buildings. This is part of applying for the MERPS grant.

Maddie went over the assessment with the select board and made some suggestions on what to apply for. They will have to meet to go over the rest of the assessments, as the board receives them. Maddie explained that you only get one chance to request changing anything in the assessment.

Maddie asked Jean Terwilliger to come and go over The Navigator Program that Climate Economy Action Center offers. Jean explained that they are looking for the select board to apply for a \$4000.00 Mini-Grant and turn it over to them.
