Public Comment/Unscheduled Appearances (limited to 15 minutes TOTAL)

The suggestion was made to have the State's description of positions in the town report. They had been in there several years ago. A copy of the description will be given to the Auditors; it is up to the auditors if they would like to have them in the report. The Auditors are in charge of the town report.

Question about where the Town Hall project is at. The board has been told they are on schedule to be completed on time.

Our Addison County Regional Planning Committee Representative is on the committee that reviews town plans. She has seen that several towns have been having community involvement in creating their town plan.

Maddie from ACRPC is helping get the process started for Whiting.

There has not been any interest in a representative for Maple Broadband.

It was suggested that the Health Officer be a paid position.
